### Purchase of Laboratory Notebooks

This is to inform all B.Pharmacy and D.Pharmacy students that laboratory notebooks are now available for purchase from the college library.

Details of the purchase are as follows:

- **B.Pharmacy students are required to purchase 7 notebooks. Total cost: Rs. 1260 per student.**
- **D.Pharmacy students are required to purchase 5 notebooks. Total cost: Rs. 900 per student.**

Students are requested to make the necessary arrangements to purchase the required number of notebooks from the college library by **10th February 2024, Saturday.**

Notebooks are an essential component of your laboratory work, and it is mandatory for all students to have them before the commencement of laboratory sessions.

For any inquiries or assistance regarding the purchase of laboratory notebooks, please contact the college library staff.
